

For the second meeting of the gardening group twenty people gathered for a look round Keith Yeulett's garden in Moraira. It is a well established garden on a terraced plot with an interesting variety of plants and trees. Paul Pruden gave some tips and advice on members' questions as we meandered round in the lovely hot sunshine. Keith then generously provided secateurs and the offer to help ourselves to cuttings, which was much appreciated.

The next meeting will be on 2nd December - a visit to L'Albarda at Pedreguer. This Valencian style garden is one of the properties owned by the Fundem Foundation. This charity has as its main aim the preservation of the natural flora and fauna of this part of Spain. The tour will last for about one hour and afterwards there will be an opportunity for members to have a meeting in the Casita there. If sufficient members are interested, we hope to arrange lunch in a nearby restaurant. Cost by donation for the visit is 5 euros, lunch about 11 euros.

The January meeting will be a visit to a member's garden on the Cumbre del Sol.
